On Sunday, the 26th of June, '22, as part of visit as
Exchange meetings of other clubs, six Probians of our
Club including PPP Namasivayam R.T., Secretary Pn
Annadhurai and I attended the AGM of the Probus

Club of Cheyyaru where cultural (dance) programme and installation of the new Office Bearers Team was held. We honoured the new Team with shawls and Probus Club Coffee Mugs. We, in turn, were honoured. The visit was very useful in strengthening our bond. Darshan of Rukmayee sametha Pandurangar at the nearby Thennangur with Puri style gopuram, also was arranged by them.

As indicated in the last issue, about 11 Probians participated in the trip to Temple Kumbabishekam at Thinnalur, native place of PPP Dr. T.S. Ramaswamy. We also had darshan of Yeri Kaatha Raman of Madhuranthagam while returning to Chennai. PPP Dr. T.S. Ramaswamy subsidised the trip and we also had darshan of Chakram and Sanku with which, Periya Nambigal did the Pancha Samskara of Sri Ramanujar, a sanyasi (Yathi) under a Magizha Maram. This temple is the only place where Sri Ramanujar is with white dhoti as he was a Grahastha during the pancha samskara. We also saw the granite beam installed by a British Collector, who renovated the Thayar Sannidhi for the Yeri Kaatha Ramar helping him by protecting the Yeri during heavy rains as per his wish and prayers.

The work of printing of the Bye-law book is about to be over. I make the last appeal to the Probians who have not still given their Personal Data with Photo to send the same immediately without any more delay lest the new updated Member Directory contain erroneous old information.

I thank Pn Ranganatha Rao, S. who has sponsored the Breakfast for our July Monthly Meeting. I appeal

to all of you also to consider sponsoring full / a share of the Breakfast cost for our future Monthly Meetings.

I sincerely thank Pn. Pranesan A.G. who has fully sponsored this July, '22 issue of Probuzz marking his 90th Birthday. I appeal to others also to come forward and sponsor full issue or place a Strip Advt. in "Probuzz," our Club's Newsletter. **I also request all Members to contribute at least Rs.100/- for the Probuzz Newsletter Annual Subscription to bolster the Probuzz Corpus Fund.**

The Financial Statements will be finalised by the Auditor in this month and the EC, and the AGM will be convened for their approval, most probably in July / Aug., '22.

All of you are aware that the Annual Membership Fee has been increased from Rs.500/- to Rs.1,000/- from this year. I request all Annual Members to send in their Annual Subscription along with Rs.100/- for the Probuzz Newsletter Annual Subscription at the earliest, if not sent so far.

SECRETARY'S REPORT

Dear Probians,

Creetings to you, your family, and your friend,

The world economy is deteriorating due to inflation, Covid-19 lockdowns, and the Russian war in Ukraine. There is no doubt that Fixed Deposit rates will go up now, which is good news for senior citizens, but at the same time, commodity rates are also on the rise. To offset the current inflation era, we need disciplined and balanced spending. Although various countries use arms and ammunition to fight Covid-19, it refuses to be defeated. The only way to eradicate this enemy from the world is for us to fight it ourselves.

EC committee meeting took place on Saturday at Gopalapuram Boys HSS, Conran Smith Road, Chennai at 10.35 am on Saturday, the 11th of June 2022. The universal prayer was recited by Pn Ramaraj V. President welcomed the members and spoke about the AGM preparedness, three decades of Probus Club, Annual Book in the Model of Silver Jubilee souvenir and Family meet. He thanked the sponsors of the Probuzz Newsletter and the Breakfast meeting. PF V. Balachander read the June 2022 Treasurer report. The vote of thanks was proposed by Pn M. Annadhurai, secretary.

The June month Breakfast meeting was held on 25th June 2022 at 10.35 am at Russian House, Auditorium Hall. About fifty-seven members attended the meeting. The Guest Speaker for the meeting was **Commodore Seshadri Vasan, Indian Navy Retd and the Topic was "Developments in the Indo pacific arena and India's options"**. It started with Universal Prayer rendered by Pn PM Pandian. President welcomed the Guest Speaker and gatherings. He mentioned about completion of 30 Years of existence by the Probus Club, plans for its celebrations, AGM, and Family Meet. Pn Maala Venkatram introduced the Guest Speaker. **Commodore Seshadri Vasan**, served for 34 years in the Navy including staff command, and instructional appointments. He was also the Regional Commander of the Coast Guard East Region. Chief Staff Officer Operations of Southern Naval Command, Commanding Officer of two Naval Air Stations, a naval air squadron and warships.

He pointed out that the Indo-Pacific region consists of Australia, Bangladesh, Bhutan, Brunei, Cambodia, Fiji, India, Indonesia, Japan, Laos, Malaysia, Maldives, Myanmar, Nepal, New Zealand, Papua New Guinea, Philippines, Singapore, Sri Lanka, Taiwan, Thailand, Timor Leste, the United States, and Vietnam. In his lecture, he stated that the Indian Ocean is home to major sea routes connecting the Middle East, Africa, and East Asia with Europe and the Americas. Among the most critical sea routes in

the world, (i) these routes facilitate maritime trade in the Indian Ocean region, (ii) they carry half of the world's seaborne oil, (iii) they host twenty-three of the world's top 100 container ports, and (iv) about 12,500 ships pass through each year. There is an aggressive player in this area, including the South China Sea, which is China.

In addition, he elaborated on the Galwan clash, China-Australia relations, and China's Debt Trap policy. He also mentioned China's claim to 90% of the South China Sea, based on a U-shaped nine-dash line etched on the map in the 1940s by a Chinese geographer. He said that India is in a very strong position now. Thereafter, the interactive Q&A session was very informative and useful. The President distributed the Birthday Gifts to the Probians of the month, who participated. Interesting Article Sent by Pn. Rajagopal V

Grounding is an energetic phenomenon one experiences when their bare skin directly connects to Mother Earth. To be grounded is to be energetically centered, to give your energy a point of focus. Life is all about balance and as earthly beings we truly belong in close quarters to the most natural areas of this planet. We simply are not meant to be indoors and wearing rubber soles every time we leave the house. Modern living has definitely limited the raw contact our bodies have to the earth below our feet. Our bodies starve to be in contact with the earth's electricity on a daily basis. The same natural dirt that provides us with a surface to live on, and space to grow our food charges our bodies with much needed negative ions.

We all have energetic bodies and everything around us comes from pure energy. Today's technology has a way of infecting us with "dirty energy" or energy that hurts us instead of helps us. Ironically, it's the positive ions that cause us the most harm. Exposing ourselves to more positive ions (electrical energy or dirty energy) then negative ions over a lifetime or less can destroy our health. The cure is the earth's natural healing powers. It's free and easy to obtain. There's no catch! Once our skin makes contact with the earth, those positive ions are neutralized, and we are again in balance. Balance will support us in living well with good health and prosperity. Most importantly we will feel great!

Why should we ground? Why not?! We have nothing to lose and everything to gain.

Benefits

Boosts immune system

Helps you sleep better

Lowers daily stress

Reduces blood pressure

Fight illness and disease

Increases physical energy and strength

Speeds up the healing process

Drain away positive electrical build up

Charges us with negative ions which come from the earth that our bodies need in order to stay healthy.

Treats anxiety naturally.

It found that earthing every day could improve inflammation, immune responses and wound healing. It also found that earthing could improve the quality of sleep, reduce pain, decrease muscle tension, and lower stress.

We Wish A Very Happy Birthday To All Probians having Birthdays in August, 2022
